

Find a Vendor Information Form

Market your business 24/7 on our "Find a Vendor" page at www.boernemarketdays.com, www.uvaldemarketdays.com or www.saladomarketdays.com with a banner listing to increase exposure and sales. Traffic on our site has grown tremendously with customer inquiries looking for vendors or products they have seen. Your listing will give them direct access to you by phone, web site link or email, whichever you prefer. Your logo, product picture, and brief description of the product or service will be incorporated into your listing. One low cost fee of \$35.00 per year for each banner listing will put you ahead of the competition. Renew your previous year's listing for only \$15.00 for another twelve months of continuous exposure. For more information or questions call 210-844-8193 or email to: marketdaysmgmt@aol.com. Check out your competition on our web site.
